Our Goals for this Year

This year our goals are to develop positive relationships with each student and provide each student with high-quality educational experiences. We want each student to become more internally motivated and interested in his or her own learning. Each student will be asked to work beyond his or her potential. This will only be accomplished with the help of you as the student’s parent or guardian.

Classroom Rules

In our classroom we follow Operation Respect. Operation Respect includes respect for yourself, respect for others, and respect for property. We believe that by following these three general classroom rules all students will flourish and conflict will be kept at a minimum.

**Respect Yourself**

- Bring your materials /homework daily
- Try your best every day
- Ask for help when needed
- Be honest to yourself and others

**Respect Others**

- Keep your hands to yourself
- Raise your hand to contribute ideas or questions
- Listen when your teacher is talking
- Ask before you borrow

**Respect Property**

- If you used it... put it back
- Clean up when you are done
- Treat everything as if it were yours
